6:30 p.m. - Panel Presentations
- Student Presentations

Cost: \$20.00

The IES Student Chapter at Carleton University helps to build strong ties between the academic community and the lighting industry. This special 'beer & pizza night' is an opportunity for the members of the IES National Capital Section to meet our Student Chapter members, view some innovative student lighting projects and of course, show support for our Student Chapter.

The student-focused evening presentation will feature an informal panel discussion during which each participant will outline the role of his/her respective component of the lighting business in the National Capital Section. Planned panelists are Louise Lalande, Arnold Midgley, John Gorman, Gilles Paquette and a contractor representative yet to be determined. A question and answer session will follow the presentations.

During the evening student lighting projects will be on display. Don't miss the 'Electric Jello Display', '99 Bottles of Beer on the Wall' and the 'Fluorescent Pizza Display'.

Dress for the evening is casual.

Parking is available in the visitor's parking lot in front of the Architecture School. **Use the automated machine to purchase a ticket. Cars parked in the faculty lot beside the school still require the ticket from the automated machine!**

For more information or to make a reservation, contact Donna Boag at 842-8902 or pboag@attglobal.net. RSVP by 4 P.M. Monday March 18, 2002.

Guests are always welcome at our meetings!
